Occupational Therapy

The Learning Disability service offers a transition service that accepts referrals between ages 16-18 for transition support.

Criteria for Referrals:

- ☑ Age 16-18.
- ☑ Registered with a GP in Kingston or Richmond.
- ☑ Established diagnosis of a Learning Disability (or this must be established early in the transition process).
- ☑ Have health needs that require assessment/ intervention.

DID YOU KNOW?

- ! People with learning disabilities should be having annual health checks from the age of 14 years old
- ! People with learning Disabilities should have a hospital passport

How do I refer?

Please email us at nds@yourhealthcare.org and request a referral form.

You can also call 0208 339 8005 to find out more or visit our website.

(Please note: we are not responsible for the young person's care until 18 years old).
